### 3. Repaying your lifetime mortgage

The lifetime mortgage may be repaid in full, or in part, at any time.

Our plans are designed to last for the rest of your life, so an Early Repayment Charge (ERC) may be payable in some circumstances. Full details of how and when ERCs will be charged are available in your Key Facts Illustration and Mortgage Offer documentation, or your adviser will be able to provide more information. Your annual statement will also let you know how much you would need to pay in ERCs if you were to repay your loan at that time.

<p><b>Partial repayment</b></p> <p>A partial repayment of up to 10% of your initial loan, and a minimum repayment of £50 may be made within each 12 month period (max 12 payments) without incurring any ERCs.</p>
